

## You're Invited!

We invite you to learn about and share your input regarding the School Resource Officer Program through an online survey and upcoming Open Houses in January and February 2023.

**Who:** Parents, Guardians, Caregivers and Regina Public Schools & Regina Catholic Schools

**What:** School Resource Officer Program Review

**When:** Starting January 24 until February 9 – 5 to 8 pm (come and go open houses)

**Where:** Multiple Regina Catholic and Regina Public Schools.

Regina Public Schools and Regina Catholic Schools have engaged Praxis Consulting to conduct a review of the School Resource Officer (SRO) Program. The School Resource Officer Program is delivered through a partnership with the School Divisions and the Regina Police Service. The SRO Program has been running for 43 years. As with any longstanding program, periodic reviews are an important process to undertake.

The SRO Program Review will provide an assessment of the program including its strengths and challenges, from the perspective of school families including students, parents, guardians, and caregivers, as well as staff and school administrators. It will also gather insight and perspectives on how the program can meet the future needs of schools and the community.

Information gathered in the Open Houses and the online survey will help inform recommendations to the Boards of Education for next steps with respect to the School Resource Officer Program.

Links to the online survey will be provided by **Tuesday, January 24** on school division websites, social media and at the come and go sessions. Students are also encouraged to fill out the online survey. A series of focus groups were held with students in December, 2022.
